*Please note that this is a sum of all **active parcel IDs** (i.e., property addresses) registered in our database as of the date of this report. For example, a parcel ID for hotel that rents out 115 rooms represents one active parcel in this count.

****Reminder**: This is a sum of **active rental units** registered in our database as of the date of this report. For example, an account for one condo unit or one single family dwelling represents one active unit whereas a hotel that rents out 115 rooms represents 115 active units in this count.

*** Account activity is reported in total across both North & South Walton tax districts. (NOTE: This is merely a count of all reporting entity account status activity (closed or newly registered) in our database & does not account for the # of parcels or units for which these accounts remit TDT.)
